

Dear Parents of Project Arrow students:

Welcome to a great year as the parent of a Project Arrow student and thank you for the opportunity to introduce the Indian Prairie Project Arrow PTA. Formed in 2009, IPPA PTA gives a unified voice to parents of PA students. As parents of these exceptional children, we support one another and learn how to become successful advocates for their educational needs.

The plan for this year:

- Increase awareness of available resources
- Help facilitate communication between parents of students in the program
- Hold district-wide events including speakers for parents and enrichment events for children
 - High School Honors Transition Forum
 - Middle School Transition Forum
 - Administration speakers help articulate goals and processes of the PA program
 - Guest speakers (such as Apple's Professional Development Executive)
- Invest in Project Arrow by sending at least four PA teachers to the IAGC conference
- Proactively communicate legislative matters affecting the program

Get connected with IPPA PTA — we have a Google group (provide your email to ippa.pta@gmail.com), Facebook page (search Indian Prairie Project Arrow PTA) and the district website (www.ipsd.org — click the [Organizations](#) link in the left pane).

Thank you for your support,

Greg Smith
President IPPA PTA
